

If You Are the Man - -

WHO wants to *make more money* out of his farms, ask NOW for "details about Farm Management Service." Year after year we supply complete farm management service (securing best tenant, planning crops best suited to the farm, supervise cultivation, harvesting, marketing to best advantage, collection and remitting of rentals, supervise care and maintenance of improvements)—this service on Oklahoma farms to landowners throughout the United States can save *you* worry, build up your farm values, and give you maximum rental returns. This is one of the best crop years Oklahoma has ever had; is it making exceptionally good farm profits for *you*, too? Write now for free details, giving description of your farm location. Our proposal will come promptly by mail only. No obligation whatever. MAIL THE CARD TODAY!
